*Before a vehicle is licensed as a taxicab under this article, such vehicle shall be thoroughly inspected and examined by the chief of the police department or by someone designated by him for the purpose of ascertaining whether the same is in a safe condition for the transportation of passengers, clean and of good appearance. All licensed taxicabs shall be inspected to meet the above requirements yearly after the issuance of such license.

*The Chief of Police or his/her designee may at any time order a random compliance inspection of any vehicle for hire licensed under this section. *The fee for vehicle inspection shall be \$30.00 per vehicle payable in cash or money order. The fee is non refundable.
