<table>
<thead>
<tr>
<th>Length of Continuous Employment</th>
<th>Amount of Paid Vacation</th>
</tr>

<td>Ten (10) years or more and less than twenty (20) years</td>
<td>20 days</td>
</tr>
<tr>
<td>Twenty (20) years or more</td>

</tbody>
</table>

The amount of paid vacation provided to an employee in any calendar year shall be determined by the employee’s length of continuous employment on June 1st of the calendar year. For employees who have worked less than thirty (30) weeks as of June 1st of the calendar year, vacation leave shall accrue on the first day of the second month’s employment, and on the first of each subsequent month up to ten (10) days per calendar year. For employees who have worked more than thirty (30) weeks as of June 1st of the calendar year, the amount of paid vacation shall accrue on January 1st of said calendar year.

The vacation pay for each eligible employee as provided in this Article shall be computed on the basis of their normal work week at their straight time, hourly wage rate. Part-time permanent employees shall be entitled to the same number of vacation days as full-time permanent employees. The number of hours that constitute a “day” for such part-time employees shall be calculated by dividing the employee’s weekly hours by five. Said amount shall then be multiplied by the number of vacation days that the employee is entitled to in order to determine the total number of vacation hours that the part-time employee is entitled to per year. Vacation leave shall not be taken in less than ½ day increments.

Section 2. SCHEDULING. The vacation time for each eligible employee shall be determined by mutual agreement between each employee and the Director. Employees are required to notify the Director on a form provided by the Director at least five (5) days in advance of their secluded vacation time.

Section 3. CARRY OVER. Vacation leave shall not be cumulative from one year to another;
provided, however, that if the vacation leave of an employee, schedule to take his or her vacation in the month immediately preceding the date on which such employee’s earned vacation credits are due to expire, is canceled by the department to meet an emergency or to offset a critical shortage of personnel in the department during such month, the amount of such vacation leave may, with the approval of the Director, be added to the amount of vacation leave which such employee shall be eligible to receive in the year immediately following.

Section 4. BUYBACK UPON SEPARATION. In the year of separation from employment by dismissal through no fault or delinquency on the part of the employee, or retirement, an employee’s vacation leave shall be accrued bi-weekly at the end of each pay period, the amount of which shall be determined by the employee’s amount of paid vacation pursuant to this Article, divided by twenty-six (26). Upon separation, the employee shall only be paid for any accrued but unused vacation time in the year of separation, in addition to any accrued by unused time carried over pursuant to Section 3. If an employee has used vacation time in excess of that which is accrued pursuant to this section, the equivalent of such vacation time in the form of straight pay shall be deducted from the employee’s final paycheck.

For permanent employees hired after September 4, 2014:

Section 5. CALCULATION. Each permanent employee covered by this Agreement shall be entitled to a vacation with pay accrued based the length of continuous employment as of the Benefit Eligibility Date as follows:

<th>Amount of Paid Vacation</th>
</tr>
</thead>
<tbody>
<tr>
<td>Less than five (5) years</td>
<td>Ten (10) days</td>
</tr>
<tr>
<td>At least five (5) years</td>
<td>Fifteen (15) days</td>
</tr>
<tr>
<td>At least ten (10) years</td>
<td>Twenty (20) days</td>
</tr>
<tr>
<td>At least twenty (20) years</td>
<td>Twenty-five (25) days</td>
</tr>
</tbody>
</table>

Vacation leave shall be accrued in hours per paid period based upon the number of regular hours worked per week. Part-time permanent employees shall be entitled to the same number of vacation days as full-time permanent employees. The number of hours that constitutes a “day” for such part-time employees shall be calculated by dividing the employee’s weekly hours by five. Said amount shall then be multiplied by the number of vacation days that the employee is entitled to in order to determine the total number of vacation hours that the part-time employee is entitled to per year.

An employee’s benefit eligibility date shall be defined as the date on which a regular employee begins regularly working twenty (20) hours or more per week and is eligible for participation in the City Retirement Plan. In the first year of employment, vacation shall accrue as of the Benefit Eligibility date. A higher accrual rate shall begin with the pay period following the anniversary of the employee’s Benefit Eligibility Date.

Employees shall accrue and receive credit for vacation at the end of each full pay period worked. Vacation leave shall not be taken prior to being accrued.

Section 5. CARRY OVER. Unused vacation leave earned during the previous two years can be
carried over on the Benefit Eligibility Date, as defined herein, for use during the following year. Accrued vacation leave not used by the Benefit Eligibility Date of the second year after it was earned will be forfeited.

Section 6. **BUYBACK UPON SEPARATION.** Employees who are eligible for vacation and who separate from employment shall be paid any accrued but unused vacation time as of their date of separation.

b) care for the employee’s own physical or mental illness, injury, or medical condition that requires home care, professional medical diagnosis or care, or preventative medical care; or

c) attend the employee’s routine medical appointment or a routine medical appointment for the employee’s child, spouse, parent, or parent of spouse.

Notwithstanding the foregoing, sick leave with pay shall not be available to any regular employee in connection with either an occupational injury for which the employee is eligible to receive Workman's Compensation; OR an injury incurred during the courses of gainful employment other than as an employee of the City (inclusive of self-employment).

Section 2. **CALCULATION.** Upon completion of a month's employment, a new regular employee shall be credited with 1½ days' sick leave with pay for each month worked until the end of the calendar year. On the following January 1 all employees will be credited with 15 days' sick leave with pay. For a part-time employee, the number of hours that constitute a "day" shall be calculated by dividing the employee's weekly hours by five. Said amount shall then be multiplied by 15 to determine the total number of sick leave hours that the part-time employee is entitled to per year.

Section 3. **PROCEDURE** The use of sick leave with pay shall be authorized by the Director and shall be documented on a form provided by the City as soon as possible after the beginning of said illness or the occurrence of said injury. Sick leave with pay shall be taken in no less than two (2) hour increments. Before approving sick leave as provided under this Article, The City may require a physician’s certificate to substantiate the need for sick time under this Article for any Employee who has been absent from work for more than two (2) consecutive work days in any single calendar year or who has demonstrated a pattern of leave abuse by the Director.

Section 4. **ABUSE OF SICK LEAVE.** An employee who uses more than three (3) sick days in any month or more than ten (10) sick days in any calendar year may be subject to disciplinary action. Two or more instances of an employee’s use of sick leave immediately before or immediately after a holiday or on a Monday or a Friday or immediately before or after scheduled leave, or a pattern of use of sick leave on certain days, shall be considered leave abuse. Either
party may at their discretion reopen this agreement for the sole purpose of bargaining the issue of sick leave abuse in accordance with this section.

Section 5. **FMLA.** Sick leave, personal leave, and vacation leave, respectively, shall be used to supplement leave under the Family Medical Leave Act (FMLA).

Section 6. **BUYBACK.** Upon the resignation, retirement, death or layoff due to lack of work and/or lack of funds of any employee, the employer shall pay to such employee, or, if he is deceased, to his spouse, beneficiary or personal representative, in payment for accumulated but unused sick leave then standing to the credit of the employee, an amount which shall be determined by multiplying a fraction, the numerator of which is the number of unused sick days to the member's credit, as provided in this section, on the date of death or retirement of such employee, and the denominator of which will be three for members with five or more years of continuous service and four for members with less than five years but more than one year of continuous service, at the rate in effect at the time of resignation, retirement, death, or layoff due to lack of work, and/or lack of funds, subject to a maximum of $5,000.00. The provisions of this paragraph shall not be afforded to any employee who is discharged for just cause.

**ARTICLE 13 – PERSONAL LEAVE**

Each regular employee shall be allowed three (3) paid personal days per calendar year. For a part-time employee, the number of hours that constitute a "day" shall be calculated by dividing the employee's weekly hours by five. Said amount shall then be multiplied by three to determine the total number of personal hours that the part-time employee is entitled to per year. New employees shall receive a pro-rated portion of the three (3) personal days to reflect the amount of time remaining in the calendar year. An employee must request a personal day at least forty-eight (48) hours prior to the day to being taken, from the Director. The Director shall have discretion concerning whether to grant or deny an employee's request to utilize a personal day. Earned but unused personal days shall expire at the end of the calendar year and shall not be carried over or accumulated from year to year.

**ARTICLE 14 – BEREAVEMENT LEAVE**

In the event of the death of a spouse, parent, grandparent, child, grandchild, sister, brother, mother-in-law, or father-in-law of a regular employee, the employee shall receive a leave of absence for a period not to exceed four working days. In the event of the death of a brother-in-law, sister-in-law, aunt, uncle, first cousin, niece or nephew of an otherwise eligible employee, the employee shall receive a leave of absence of two working days.

**ARTICLE 15 – LONGEVITY**

Section 1. **CALCULATION.** In the manner and to the extent provided in this Article, regular full-time employees who have actually worked for the City for the continuous period of time as provided in this paragraph and who are carried on the payroll of the City on their employment anniversary shall received additional annual compensation for longevity as follows:
Length of Employment on Employment Anniversary | Longevity Pay

The longevity pay in each calendar year as provided in this article shall be paid to an eligible employee within thirty (30) days following their employment anniversary. Section 1. **GENERALLY.** Pursuant to the policy prescribed in Article One, and in consideration of the provisions of Article Five, the City, the Union, and the employees agree that the exclusive method for the adjustment, processing and settlement of a grievance as defined in this Paragraph is and shall be in accordance with the grievance and arbitration procedure prescribed in this Article. A grievance is defined as a complaint or a dispute between the City and either an employee or the Union pertaining to the application or compliance with the express provisions of this Agreement. The City, the Union, and the employees agree to observe and follow the procedure prescribed in this Article, and, subject to the provisions of Section 4 of this Article, to be bound by any determination or decision which shall be made in accordance with said procedure.

Section 2. **GENERAL REQUIREMENTS.** The grievance shall be in writing and signed by the aggrieved employee on a Form furnished by the Director and delivered to the Office of the Director of the Council on Aging. The written grievance shall state the available facts concerning the alleged dispute, the provisions of this Agreement allegedly violated, and the relief desired by the aggrieved employee. A grievance which is not presented to the office of the Director of the Council on Aging as provided in this Paragraph within fifteen (15) working days after the occurrence or the knowledge of the alleged cause of the grievance shall be deemed to have been waived.

Section 3. **PROCEDURE.** Except as otherwise specifically provided in this Agreement, a grievance as defined in Section 1, and otherwise subject to this Agreement, shall be processed in accordance with the following grievance procedure:

(a) **STEP NO. 1.** Within fifteen (15) working days after the filing of the written grievance, there shall be a discussion of the grievance between the aggrieved employee and the Director or his/her designated representative, at which a representative of the Union shall be present. In the event of the absence of the Director, the person designated by him/her shall act in his/her behalf. Within fifteen
(15) working days after the conclusion of the discussion as provided in this STEP NO. 1, the Director or his/her designated representative as the case may be, shall advise the aggrieved employee and the Union, in writing, of his/her decision concerning the grievance.

(b) **STEP NO. 2.** In the event that the disposition of the grievance under STEP NO. 1 is not satisfactory, the aggrieved employee may, within fifteen (15) working days after the date of said decision, file a written appeal to the Office of the City Solicitor requesting that the City Solicitor investigate the grievance. Within fifteen (15) days after the receipt of the written appeal, the grievance shall be discussed among the aggrieved employee, the representative of the Union, and the City Solicitor or his/her designated representative. Within fifteen (15) working days after the conclusion of this discussion as provided in this STEP NO. 2, the City Solicitor or his/her designated representative shall advise the aggrieved employee and the Union, in writing, of its decision concerning the grievance. Two (2) or more separate current grievances otherwise subject to this Agreement which involve the same matter or question and which affect a group or a class of employees, may, by mutual agreement, in writing, between the City and the Union, be consolidated and processed as a single grievance provided, however, that such procedure shall be subject to all the provisions of this Article. The City may institute a grievance by an oral or a written notice to the Union. Within fifteen (15) working days after said notice, the grievance shall be discussed by a representative of the Union and the City or his/her representative. If within fifteen (15) working days after said discussion, the grievance is not settled to the satisfaction of the City, the grievance may be submitted to arbitration as provided in Section 4.

**Section 4. ARBITRATION.** A grievance which is not settled after the completion of the grievance procedure prescribed in Section 1. may be submitted to arbitration in accordance with the following procedure:

A. The request for arbitration may be made by the Union or by the City by notification, in writing, to the other party within thirty (30) calendar days of the completion of the grievance procedure as provided in Section 3.

B. Within sixty (60) calendar days after such notification, the Party requesting arbitration shall execute and mail a written request to the American Arbitration Association, 133 Federal Street, Boston, MA, 02110-1703, for the appointment of an Arbitrator and a copy of said request shall be simultaneously mailed to the other Party, unless during the said sixty (60) day period, the City and the Union mutually agree upon an Arbitrator.

C. The request for arbitration shall state the provision, or provisions, of this Agreement allegedly violated and shall state the remedy or the relief sought by the Party requesting arbitration.

D. The authority of the Arbitrator shall be limited to the terms and provisions of this Agreement and to the question or questions which are submitted. The Arbitrator
shall be bound by the provisions of this Agreement and he shall not have any authority to establish salaries or wage rates or any other forms of compensation or to add to, subtract from, modify, or otherwise change any of the terms of provisions of this Agreement or to establish or change any terms or conditions of employment. The Arbitrator shall have no jurisdiction to infringe upon or to limit the managerial functions, rights and responsibilities of the Director or the Mayor of the City or to base his award on any alleged practices or oral understandings which are not incorporated in writing in this Agreement. The Arbitrator may not award back pay or any other form of compensation beginning earlier than fifteen (15) days prior to the filing of the written grievance as provided in Section 2. The Arbitrator shall not be empowered and shall not have jurisdiction to substitute his/her judgment or discretion for the judgment or discretion of the Director or the City in any case where the judgment or discretion is retained by or given to the City, the Department, or the Director under a provision of this Agreement or under a provision of law. Subject to the provisions of this Article, the Arbitrator shall have the authority to enjoin violations of this Agreement and to award compensatory and other damages.

E. The Arbitrator shall mail his/her written decision simultaneously to the City, to the Union and to the aggrieved employee within fifteen (15) days after the final submission. Subject to the provisions of Section 4, the decision by the Arbitrator shall be final and conclusively binding upon the City, the Union, and the aggrieved employee.

Section 5. DIRECT ARBITRATION. By mutual agreement in writing between the City and the Union, a grievance otherwise subject to the grievance procedure as provided in Section 3 and otherwise subject to this Agreement may be directly submitted to arbitration as provided in Section 4.

Section 6. TIMELINESS. Except where an extension of time has been sought and obtained, in the event of the failure by the Union, or an aggrieved employee to comply with the time limitations provided in this Article, the grievance shall be deemed waived. A failure to adhere to these time frames by the Employer shall be deemed a denial and allow the Union to advance the matter to the next step. The City, the Union, and the employees agree not to unreasonably withhold assent to the request by one of the other Parties for a reasonable written extension of the time limitations provided in this Article.

Section 7. BREACH. The breach of any of the provisions of Article Six shall at the option of the City terminate the obligation of the City to arbitrate a dispute underlying the breach while the breach continues provided, however, that the fact of the occurrence of said breach shall be subject to arbitration as provided in Section 4 above.

Section 8. ARBITRATION WAIVER. If a matter is presented to any federal or state
labor commission/agency, then the party so presenting waives their right to arbitrate the matter.

**ARTICLE 17 – WAGES**

Section 1. **COMPENSATION PLAN.** Subject to the provisions of this Agreement, an employee who performs the work in the job titles described shall receive compensation in accordance with the Classification and Compensation Plan attached hereto and incorporated herein as EXHIBIT A. The job titles or the work descriptions named in the Classification and Compensation Plan are for the sole purpose of determining hourly wage rates and nothing in said Articles or in this Agreement shall in any way limit or restrict the right of the City to assign work to the employees or to transfer an employee from one department to another, from one job to another or from one location to another, and shall not operate as a requirement that such positions be staffed.

Section 2. **RATE MATCHING.** Subject to the provisions of this agreement, in the event that a new employee is hired to a position in the Classification and Compensation Plan (Exhibit A) and paid at an hourly rate in excess of an existing employee covered by this agreement in that same position, the City shall increase the hourly rate of the existing employee to match the hourly rate of the new employee if the existing employee exhibits similar or greater credentials as compared to the new employee, based upon similar education, certifications, and years of experience.

Section 3. **COST OF LIVING ADJUSTMENT.** The hourly wage rates for employees covered by this agreement shall be adjusted to reflect the following cost of living increases on the dates prescribed:

At no point in time may an employee request payment for an invoice for continuing education units that exceed the number of units required for license renewal, except with prior authorization from the Director. The City and its Director shall not be liable for payment of invoices, including fees, fines, claims, damages, or judgments resulting from gross negligence, malfeasance, or misconduct by the employee regarding their licensure or certifications.

Part-time kitchen staff shall be entitled to reimbursement in the same manner.

c) Employees who are required to wear uniforms, safety equipment, or other special attire are required to report to work dressed appropriately at all times, unless otherwise authorized, and to use the personal protective equipment provided.

Section 4. STANDARDS OF CONDUCT AND DISCIPLINE POLICY. The parties agree to implement the disciplinary policy, attached as Exhibit B, on October 1, 2018, unless either party request to reopen this section on or before September 1, 2018. The Employer shall distribute a copy of the policy attached at Exhibit B no later than August 1, 2018.

Section 5. SUSPICION-BASED DRUG & ALCOHOL TESTING. Reasonable suspicion
testing shall be administered when the Employer observes conduct indicating that an employee is under the influence of drugs or alcohol, or the Employer has reason to believe that an employee is in violation of this policy. The determination that reasonable suspicion exists shall be based on specific, contemporaneous, articulable observations concerning the appearance, behavior, speech or body odors of the employee. Objective factors to be considered in evaluating an employee include, but are not limited to, the following:

a. Balance (sure/unsure/questionable);
b. Walking (steady/unsteady/questionable);
c. Speech (clear/slurred/questionable);
d. Attitude (cooperative/uncooperative/questionable);
e. Eyes (clear/bloodshot/questionable);

B. Admission of Dependency. When alcohol dependency exists the City and Union encourage bargaining unit members to admit to the Director that the member has an alcohol dependency. Such admissions shall be treated as a confidential request for help. Alcohol dependency presently is recognized as a handicap under G.L. c. 151B, s. 4 (16). The City agrees to make reasonable accommodation for the member that does not cause undue hardship for the City, to assist members in performing the essential functions of their job. The Union agrees that a member cannot adequately perform the essential functions of their job while under the influence of alcohol.

C. Transportation Employees. The City reserves the right to promptly direct any Driver involved in a motor vehicle accident during the course of employment to submit to a mandatory drug and alcohol test, unless bodily injury or medical treatment resulting from such accident necessitates otherwise.

D. Counseling. As an accommodation to members the City hereby agrees to provide members with the counseling benefits of the EAP and Project Concern.

Section 6. INSPECTION OF EMPLOYEE RECORDS. The City agrees that all records relevant to the processing of a grievance shall be available to the designated Union Representative. Employees shall have the right to examine their own personnel files, by appointment. Only the Personnel Department, Director for the Council on Aging and the designated Union Representative shall have access to other employee's personnel files, the examination of which is not then otherwise restricted by law.

Section 7. EMPLOYER POLICIES. The City retains the right to promulgate and to enforce written rules and regulations that do not conflict with this Agreement, as it may from time to time deem best for the purposes of maintaining order, safety, and/or effective operation of the
City’s operations and after having given advance notice thereof to the Union and the employees. It is recognized that the Union reserves the right in the initial grievance filed subsequent to the enforcement of any newly adopted rule or regulation to challenge its reasonableness.

Section 8. NO INDIVIDUAL AGREEMENT. The City agrees that it will not enter into any individual agreement with any employee covered by this Agreement, which is contrary to the terms of this Agreement. This Labor Agreement may not be waived or modified in any way except by written agreement of the City and the Union.

Nothing herein shall be construed to replace or abridge the right of either party to appeal court or administrative decrees or decisions. In the event that any part or portion of this Agreement is declared illegal, the parties shall enter into immediate collective bargaining negotiations, upon the request of either party for the purpose of arriving at a mutually satisfactory replacement for such part or portion declared illegal.

ARTICLE 19 - SCOPE OF AGREEMENT

Section 1. GENERALLY. The Union and the employees and the City acknowledge and agree that during the course of the negotiations preceding the execution of this Agreement, all matters and issues of interest to the Union and to the employees and to the City pertaining to salaries, wages, hours and conditions of employment have been discussed and that the understandings and agreements among the Parties concluded during the course of the negotiations are fully stated in this Agreement. All such matters are and shall be governed exclusively by and limited to the terms and provisions of this Agreement and that neither the Union nor the City shall be obligated to negotiate with the other during the term of this Agreement with respect to any matter or issue pertaining thereto, whether or not specifically included in this Agreement or discussed during the negotiations preceding the execution of this Agreement provided, however, that nothing in this Paragraph shall in any way limit or restrict the rights and duties prescribed in Article 16. No addition to, alteration, modification or waiver of any term, provision, condition or restriction in this Agreement shall be valid, binding or of any force or effect unless made in writing and executed by the City and by the Union.

Section 2. EFFECT OF PROVISIONS. Except as otherwise specifically provided, the provisions of this Agreement shall apply only to employees who are actually working and in the active employ of the Council on Aging on and after the date of the execution of this Agreement. By mutual agreement in writing between the City and the Union, any of the time limitations provided in this Agreement may be extended and each of the Parties to this
Agreement agrees not to unreasonably withhold assent to the request by the other Party for a reasonable extension of said time limitations. The failure by the City or the Union in one (1) or more instances to observe or enforce any provision of this Agreement shall not be construed to be a waiver of said provision.

ARTICLE 20 – DURATION

DURATION. **EXHIBIT “B”**

**UCFW LOCAL 1459 – HOLYOKE COUNCIL ON AGING**

**DISCIPLINARY PROCEDURES POLICY**

Discipline, whether informal or formal, must depend upon the nature, consequence(s), or potential consequence(s) of an employee’s conduct or performance and the surrounding circumstances and mitigating factors, if any. The City shall apply disciplinary procedures consistently, while taking into consideration the specific circumstances of each individual case or occurrence.

Before the need for, or in addition to discipline, the City may refer employees to the employee
assistance program CONCERN® or other professional assistance program as appropriate. Referral to the employee assistance program or comparable program shall not be considered a substitute for any disciplinary action imposed for any misconduct.

3.01 Less Serious Misconduct

Less serious misconduct may subject an employee to verbal or written reprimand by the employee’s supervisor or Department Head before the institution of more serious or progressive disciplinary action under the Disciplinary Procedures Policy.

Repetition of less serious misconduct or lack of corrective action by the employee to change or improve his behavior and/or performance shall serve as grounds to subject the employee to more serious or progressive disciplinary action under the Disciplinary Procedures Policy.

3.02 Serious Misconduct

Serious misconduct shall be sufficient cause for any form of disciplinary action under this Policy.

Repetition of serious misconduct or lack of corrective action by the employee to change or improve his behavior and/or performance shall serve as grounds to subject the employee to more serious or progressive disciplinary action under the Disciplinary Procedures Policy.

3.03 Steps of Progressive Disciplinary Action

Disciplinary procedures for misconduct will follow a policy of progressive disciplinary action. Depending on the severity, degree, and recurrence of the misconduct, the employee will receive informal verbal counseling, a verbal warning, a written warning, a disciplinary suspension, and/or termination in a progressive order. An employee may also receive a pre-disciplinary suspension if appropriate under the circumstances. However, the City reserves the right to skip a level or multiple levels of progressive disciplinary action in order to appropriately match the severity and degree of misconduct with the appropriate level of disciplinary action.

3.03.1 Investigation

Before any disciplinary action is taken against an employee, the employee’s supervisor or Department Head will make a good faith effort to discover whether the employee did in fact engage in misconduct, including, not limited to, interviewing the employee. During such interview, the supervisor or Department Head shall explain with reasonable precision the misconduct with which the employee is being charged and shall afford the employee an opportunity to defend his behavior.
However, there may be circumstances under which the City must react immediately to an employee’s behavior. In such cases, the City reserves the right to take disciplinary action against the employee(s) involved without first interviewing the employee(s) or otherwise investigating the circumstances involved. Thereafter, as soon as practicable, the City will make a good faith effort to discover whether the employee(s) did in fact engage in misconduct, including, but not limited to, interviewing the employee(s).

3.03.2 Informal Verbal Counseling

Informal verbal counseling is an informal verbal communication that conveys that an employee’s conduct or performance was improper and must be corrected. Informal verbal counseling must be a private verbal discussion between an employee and the employee’s supervisor or Department Head regarding the desired course of action to improve the employee’s performance and/or conduct, the supervisor’s expectations for improvement, and what will occur if the performance or conduct is not corrected within a reasonable time.

Informal Verbal Counseling is appropriate for initial instances of less serious misconduct, as defined in Section 3.01, and in conjunction with a verbal or written warning for initial instances of serious misconduct, as defined in Section 3.02.

3.03.2.1 Performance Deficiency

In the case of a performance deficiency, the first disciplinary action taken against an employee for the first occurrence of a particular type of performance deficiency shall be informal verbal counseling. If the employee does not correct the performance deficiency within a reasonable time, the employee will be subjected to more serious or progressive disciplinary action.

3.03.3 Verbal Warning

A verbal warning is a private oral reprimand by an employee’s Department Head to an employee that the employee’s conduct or performance is unacceptable and that further infractions will lead to more serious or progressive disciplinary action. A written notice of the verbal warning will be placed in the employee’s personnel file and provided to the Union, but will be removed after six (6) months if the misconduct does not recur or the performance deficiency has been corrected.

This level of discipline is appropriate for repetition of less serious misconduct, as defined in Section 3.01, failure to correct less serious misconduct or performance deficiency within a reasonable time, and initial and subsequent instances of serious misconduct, as defined in Section 3.02.
3.03.4 Written Warning

A written warning is a reprimand by an employee’s Department Head to an employee that describes the unacceptable conduct in writing and specifies the improvement needed. A copy of this warning will be placed in the employee’s personnel file and provided to the Union and retained in the employee’s personnel file indefinitely.

This level of discipline is appropriate for repetition of less serious misconduct, as defined in Section 3.01, failure to correct less serious misconduct or performance deficiency within a reasonable time, and initial and subsequent instances of serious misconduct, as defined in Section 3.02.

3.03.5 Pre-Disciplinary Suspension

Pre-disciplinary suspension is the removal of an employee from the workplace for the duration of the suspension. During a pre-disciplinary suspension, the employee shall be paid at his regular rate of pay, unless otherwise stated within the Disciplinary Procedures Policy. Pre-disciplinary suspension is to be used when disciplinary action, either initial or progressive, is being considered and the employee’s removal from the workplace is necessary or prudent. There are two categories of pre-disciplinary suspension: (1) removal from the workplace for disciplinary reviews or internal investigations; and (2) removal from the workplace for alleged criminal conduct.

3.03.5.1 Removal from the Workplace for Disciplinary Reviews or Internal Investigations

The Employer may have an employee immediately removed from the workplace without providing advance notification when the employee’s continued presence:

- May be harmful to the employee or to any other employee or individual;
- Makes it extremely difficult, imprudent, or impossible for the City to conduct business;
- May hamper an internal investigation into the employee’s alleged misconduct;
- May hamper an investigation being conducted by law enforcement; or
- May constitute negligence or other violation(s) of the City’s duties to the public and/or to other employees.

An employee removed from the workplace shall be advised immediately of the reason for his removal. As soon as possible after an employee’s removal from the workplace, the City must provide the employee with
written notification of the intended disciplinary action and a summary or
description of the evidence of the offense or misconduct for which the
disciplinary action is being contemplated, and, when applicable, that an
internal investigation of the employee’s conduct is underway. The
employee must be provided a reasonable opportunity to respond before the
City takes any disciplinary action against the employee.

An employee may be placed on paid suspension for up to fifteen (15)
working days so that the City may conduct a disciplinary review or
internal investigation. If the disciplinary review or internal investigation is
not completed within the fifteen (15) working days, the City must: (1)
impose disciplinary action in accordance with the Disciplinary Procedures
Policy; (2) permit the employee to return to work pending the outcome of
the review or internal investigation; or (3) extend the pre-disciplinary
suspension for a specified period of time as determined by the Employer.

3.03.5.2 Removal from the Workplace for Alleged Criminal Conduct

The Employer may have an employee immediately removed from the
workplace without providing advance notification when the employee is
under investigation for alleged criminal conduct that is related to the
nature of his job or to the City of Holyoke in general and the employee’s
continued presence:

- May be harmful to the employee or to any other employee or
  individual;
- Makes it difficult, imprudent, or impossible for the employee to
  perform his work;
- Makes it difficult, imprudent, or impossible for the City to conduct
  business;
- May hamper an investigation being conducted by law enforcement;
  or
- May constitute negligence or other violation of the City’s duties to
  the public and/or to other employees.

An employee placed on pre-disciplinary suspension because of alleged
criminal conduct that impacts the employee’s ability to do his job or
represents a risk to the City of Holyoke in general shall be continued on
pre-disciplinary suspension until either: (1) the criminal investigation is
concluded without any formal charges being made; or (2) the employee is
formally charged with a criminal offense, such as by arrest or indictment.

(1) If the criminal investigation is concluded without any
formal charges being made against the employee, the
employee shall return to active status and be permitted to
return to work.
An employee who is formally charged with a criminal offense related to the nature of his job or to the City of Holyoke in general shall be immediately suspended without pay for ninety (90) calendar days. The employee shall be allowed to use any accrued but unused leave of any kind or to use any type of leave for which he otherwise qualifies under law for all working days during his unpaid suspension.

If at the conclusion of the ninety (90) day unpaid suspension there has been no resolution of the criminal charge against the employee, the employee will be placed on pre-disciplinary suspension with pay until the charge has been resolved. If the charge is resolved without the employee being convicted of any charge, the employee shall return to active status and be permitted to return to work, and any leave applied to the ninety (90) day unpaid suspension shall be reinstated to the employee.

Regardless of the status of any criminal investigation or process, the City may determine at any time to impose disciplinary action in accordance with the Disciplinary Procedures Policy, up to and including termination, based upon the facts or evidence of conduct that prompted the criminal investigation or process.

3.03.6 Disciplinary Suspension

Disciplinary suspension is the removal of an employee from the workplace for the duration of the suspension. During a disciplinary suspension, the employee shall not be paid, unless otherwise stated within the Disciplinary Procedures Policy or otherwise required by law. The Director shall be authorized to administer this form of discipline.

An employee placed on disciplinary suspension shall be advised immediately of the reason for his suspension. As soon as possible after an employee’s removal from the workplace, the City must provide the employee with written notification of the disciplinary action and a summary or description of the evidence of the offense or misconduct for the disciplinary action, including the results from any internal investigation of the employee’s conduct. The employee must be provided a reasonable opportunity to respond before the City takes any further disciplinary action against the employee.

A record of disciplinary suspension will be retained indefinitely in the employee’s personnel file.
This level of discipline is appropriate for repetition of less serious misconduct, as defined in Section 3.01, failure to correct less serious misconduct or performance deficiency within a reasonable time, and initial and subsequent instances of serious misconduct, as defined in Section 3.02, unless otherwise precluded by any applicable law.

3.03.6.1 Duration

The Employer shall have discretion as to the duration of any disciplinary suspension, unless otherwise stated within or required by the Disciplinary Procedures Policy or otherwise precluded by any applicable law.
