ZONE CHANGE/ SITE PLAN REVIEW/ SUBDIVISION/SPECIAL PERMIT

1) Approval Not Required – Steiger Road/Mountainview Drive

JEFFREY BURKOTT explained that the ANR would be correcting current parcel lines as well as then dividing the area into 3 lots. The ANR met the requirements. The ANR was signed.

2) Site Plan Review Amendment - So Summer Street Self Storage (File #89), J. Gonzalez Enterprises, LLC
JOHN GODDARD stated that 5 items remain to be addressed: driveway access, chain-link fencing, stormwater and curbing to the rear of the site, bollard placement, and abutter landscaping questionnaire.

JOHN GODDARD stated that:
1) Per the DPW, he agreed that the existing curb cut should be closed because it was not accessible per ADA Standards.
2) The fence fabric does extend over the top bar when the approved plans show the fence fabric at the top bar. He would present during installation that this site was not atypical; at the very least the fabric twist would extend over the bar. It was the Boards discretion if further action was needed.
3) Regarding Stormwater and curbing to the rear of the site, he met with their engineer to understand the intent of the design. The rear berm was omitted to open the rear gates to allow the snow to be pushed through to the alley for ease of maintenance. (Mr. Gonzalez plows across the alley and removes the snow off site.) The proposal would match the flow rates of 2-10 year storm.
4) The Bollards in between the units were removed from the plans at the owner’s risk.
5) The approval of the abutter landscaping questionnaire regarding planting on site or off site, MIMI PANITCH asked that the wording “at the owners expense” be added to the second option following the words “on my property”.

A motion was made by CHRIS LACHAPELLE and seconded by JOHN KELLEY to approve the abutter landscaping questionnaire as amended. The motion carried 4-0.

The Board noted that the driveway access issue was resolved; the changes in the stormwater did not alter the operations of the stormwater system; and the bollards were no longer a concern since any issue was at the owners’ expense. The Board also noted that the approved plans showed the rear gate closed and the amended plans show the gate open. Amendments in writing would be forthcoming.

JOHN GODDARD noted that he would return (October 27, 2015) with a letter addressing the outstanding issues with plans tailored to include the amendments.

3) Site Plan Review #100 Signage Review – Marcotte Commercial Service, 933 Main Street
JEFFREY BURKOTT stated that per the Notice of Decision (NOD) (#100) Condition #6, final sign plans needed to be submitted to the Board for review. An amendment was also submitted (per the NOD #4) as the front doors were not all glass as originally proposed but a mix of panes and glass.

A motion was made by JOHN KELLEY and seconded by EILEEN REGAN to approve the amendments to the site plan. The motion carried 4-0.

A motion was made by EILEEN REGAN and seconded by CHRIS LACHAPELLE to approve the sign package as proposed. The motion carried 4-0.

4) Site Plan Review #101-A Signage Review(Chipotle) – Holyoke Restaurant Center
JEFFREY BURKOTT stated that per the Notice of Decision (NOD) (#101) Condition #12, final sign plans needed to be submitted to the Board for review.
